Steps to getting a detailed fence quote

Measure your fence runs and determine your gate locations as shown on the example rough sketch attached. Sections come in 8ft lengths for all styles, other than the wood grain which are 6ft lengths(keep this in mind when determining the number of fence sections). Once you have all your measurements, and have determined the number of sections, posts, gates and caps, you are ready to proceed to the next step. Email the completed work sheet to **sales@cansupplywholesale.ca**

- 1) Style of fence: _____ Color: _____
(Styles: Full Privacy, Semi Privacy (diagonal or square lattice), Picket Fence (3' or 4'), Horse Rail Fence (3 rail or 2 rail)
(The full privacy fence comes in White, Grey, Adobe, Cinnamon Walnut, Stone Oak, Caramel Ash. All other styles of fence come in white.)
- 2) Number of sections of fence: _____
- 3) Number of gate kits: Man gate: _____ RV gate: _____
(Matching gate cap automatically included)
- 4) Total vinyl posts required: _____
- 5) Number of each type of post required. Line posts: _____ End posts: _____ Corner posts: _____
Tee posts: _____ All way posts: _____ Blank posts: _____ Gate inserts: _____
(Gate inserts are used on both sides of the gate. For both a man gate and a RV gate you would typically require 2)
- 6) Number and style of cap: Flat cap: _____ New england: _____ Gothic cap: _____ Solar cap: _____
(The number of caps typically is the same number of vinyl posts. The standard cap is the flat cap. The solar cap comes white.
(Gates automatically come with the matching flat cap as the only option so please do not include them here.)
